Ready to stream!

# Partner Picker Flow – Existing User Journey

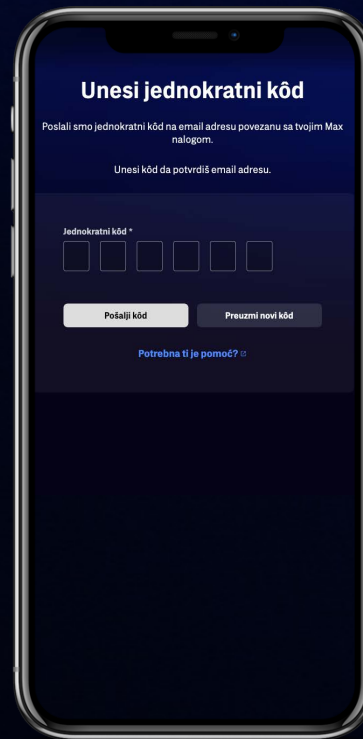

Journey Starts on Max Website / UI (Desktop or Mobile)

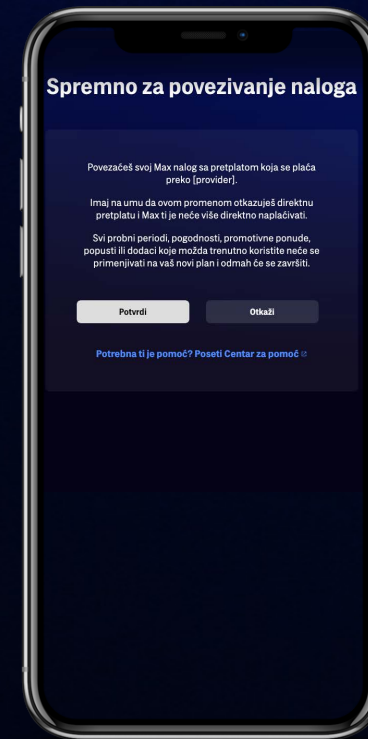

During account creation process customer uses email address of an existing Max account

One time passcode sent to customer's email address to confirm their identity

Customer provides correct one-time passcode

Customer confirms if they want to proceed with change or not\*

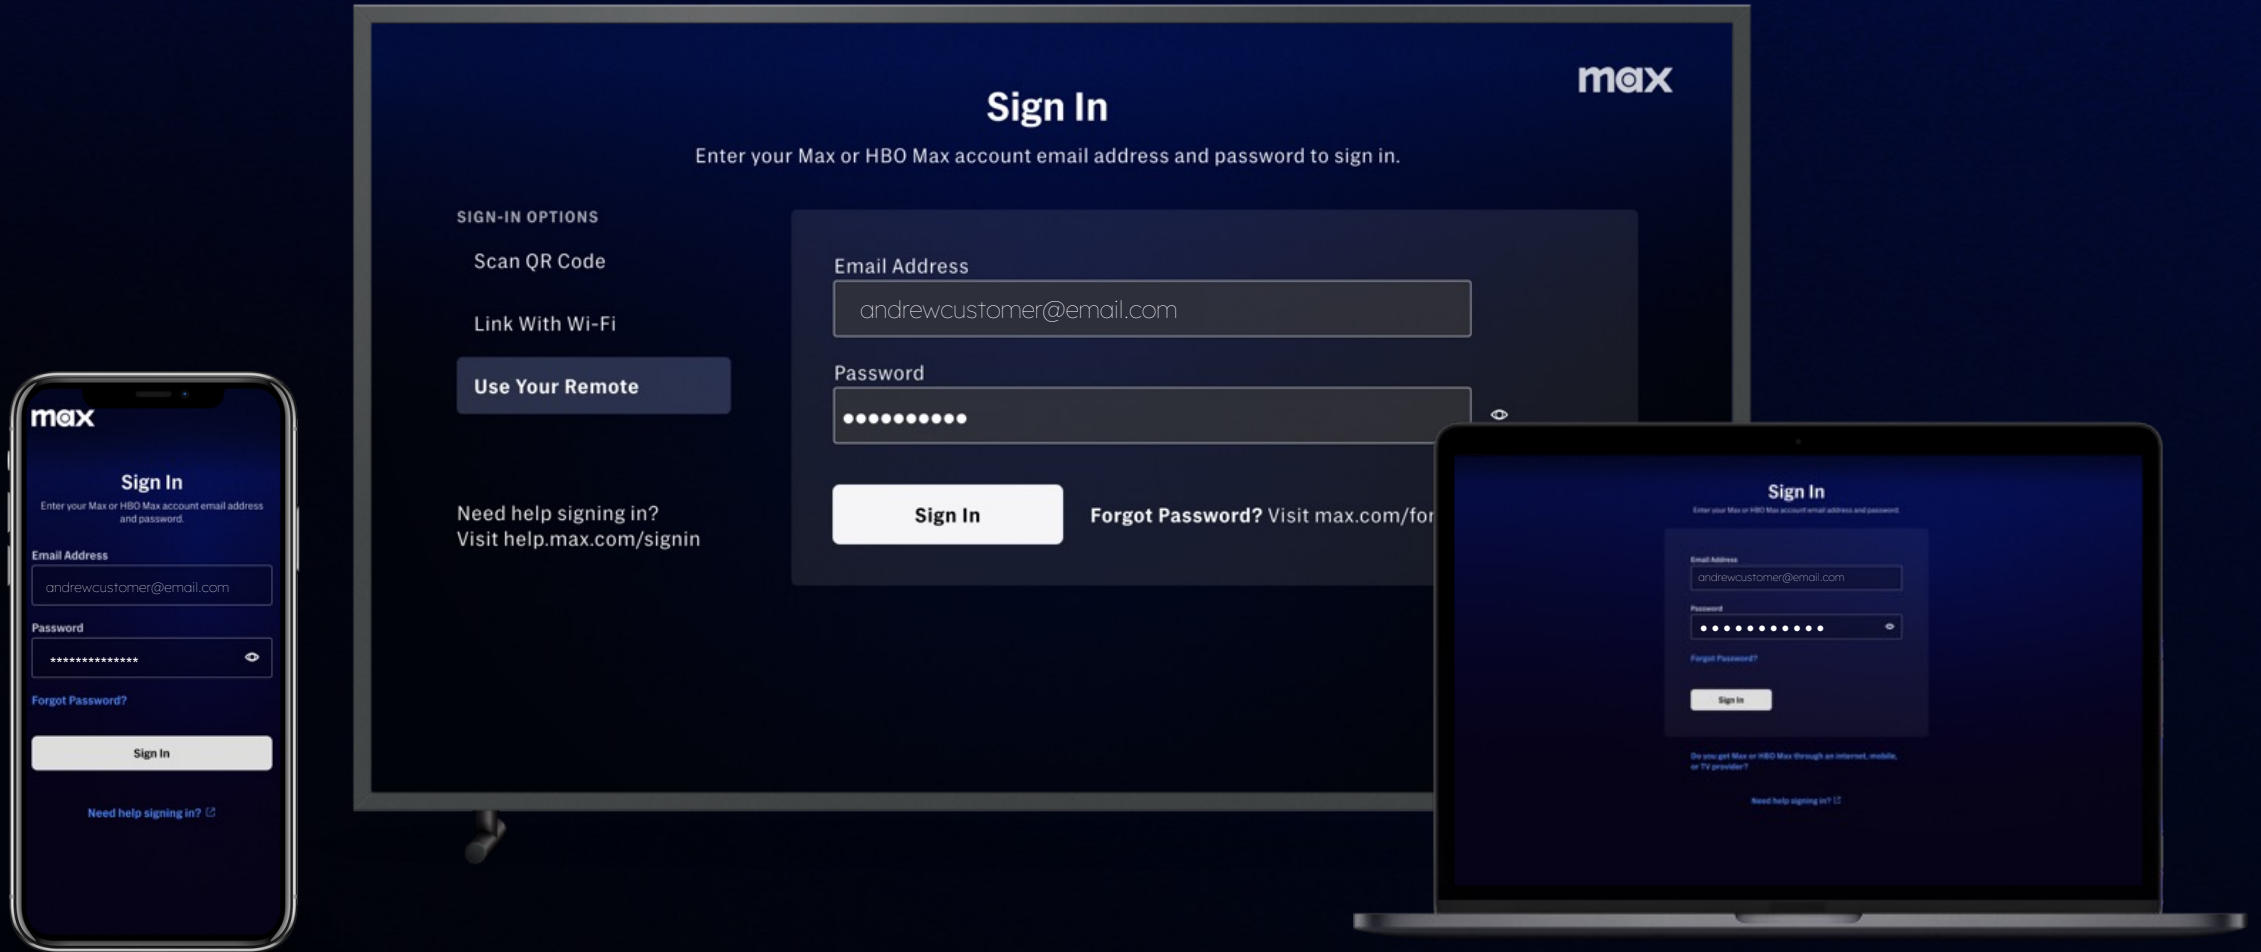

If the customer chooses to continue, D2C subscription linked with the account will be canceled, otherwise if the customer account currently has MVPD or IAP subscription linked, it will not be canceled and customer might be billed twice. Message displayed depends on subscription type currently linked to the account.
